EDUCATION

Degree	Specialization	Institute	Year	SCORE
B.Tech	*Computer Science & Engineering*	KL University Guntur	2022-2026	9.31/10.0
HSC BIEAP	*Physics, Chemistry, & Mathematics*	Narayana College	2022	785/1000
SSC STATE	-	Sri krishnaveni school	2020	510/600

TECHNICAL SKILLS

- **Languages**: C, Python, Java
  Frameworks: ReactJS, SpringBoot
  Web Design: Figma
  Databases: MongoDB (BASIC), MySQL
  Cloud Computing: AWS
  Soft Skills: Problem Solving, Self-learning, Time Management, Team Leading

PROJECTS

- **MERN Stack Web Development**   *Jan-May 2024*
  - **Online Voting System** This project is a software tool designed to help organize, manage, and track voting processes digitally. The system enables voters to cast their votes securely through a user-friendly interface built with**ReactJS** ensuring an intuitive experience. The backend, developed with **NodeJS**, handles the application's logic and is integrated with a **MySQL** database for efficient data storage and retrieval, ensuring the integrity of voting data.
  - **Role: TeamLead**
    Skills Acquired ReactJS, MySQL, NodeJS

- **Java Full-Stack Web Development**   *Aug-DEC 2024*
  - **Online Certification Tracking System** Developed a software tool designed to organize, manage, and track global user certifications efficiently. The project features a dynamic and user-friendly interface built with **ReactJS** ensuring seamless interaction for end-users. The backend, implemented using **Spring Boot**supports robust application logic and efficient data management.
  - **Role: Web design**
    Skills Acquired ReactJS, SpringBoot, Figma

Languages Hobbies

- **Languages:** English, Telugu, Hindi

- **Hobbies:** Photography, Playing Cricket, Reading, Traveling

EXTRA-CURRICULAR ACHIEVEMENTS/ACTIVITIES

- **NSS Core Member KL University, Guntur** Actively contributed as a core member of the **National Service Scheme (NSS)** actively engaging in photography to document events and initiatives.
- Captured and curated visual content to showcase community service activities, social outreach programs, and campus events.
- Played a vital role in promoting NSS campaigns through impactful imagery, demonstrating creativity, attention to detail, and a keen eye for storytelling.

CERTIFICATIONS

- **RedHat Certified Enterprise Application Developer**

- **Salesforce AI Associate**
